Upon motion and second, the Maui Community College Technical Support Committee affirms the following resolutions:

"It is resolved that the Technical Support Committee formally support the institution of lab fees at MCC."

TSC, 21 April 2004

"It is resolved that the MCC Academic Senate recommends that Maui Community College develop a Computer Replacement Plan. In so doing the University should modify the budgeting structure by removing computers from the capital asset category and treat them as supplies. Further, we ask that funds be set aside, as stated in the Strategic Plan and the Eight Year Budget, to replace 20% of all computers on campus each year."

TSC: 05 May 2004

"If there are no stupid questions, then what kind of questions do stupid people ask? Do they get smart just in time to ask questions?"

Scott Adams (Dilbert)
