**LIS 601: Intro. to Reference & Information Services**

**Fall 2004**
**Introduction**

If parents find divorce to be traumatic, imagine its impact on the children. Children of divorced parents feel torn between Mom and Dad and may find that neither parent can give them the attention and security they so desperately need as they struggle to make sense of what has happened to their lives.

If you are going through a divorce and you have children, here are some resources to help you through this difficult time.

This guide is a starting point for your journey.
