Parents with small children

Members
• Leigh Dooley
• Yao and Erik Hill
• Veronica Ogata
• Kawehi Sellers
• Amy Patz Yamashiro
• Steve Harris
  (concierge)

Goals/Objectives
• Feeling supported as parents of small children.
• Sharing different parenting styles and supporting those differences with the common goal of creating a loving environment for our children.
• Encourage a family friendly campus environment where faculty and staff can celebrate our children.

Thing(s) we’re excited about:
• Sharing in our newest members’ experiences with their newborn child and offering support at a time in need.
