## **Example of Play** Then it was time for the showdown, as the french decided to attack en-mass, with accordians. I played accordian Character are Gabriel Black, who was sorta liek Jin from music till their brains leaked!!! Then the called in back up and tekken, with a bit of angel from buffy, and a katana. He has a cool went to attack the french, who turned out to have super powers. $\Box$ scar, and tatoos. Hans Blade, who looked like some guy I saw ina The bad guys were: Captain France and his Black beret comic. Hehad a flick knife and some lugers, and made dramatic ninia, who had accordians and could resist an unlimited ammount entrances. He wor a black leather trenchcoat and shadeds. of accordian music. Bagette Man had Cake kinesis, and attacked Mathias Grimm, who wa a kung fu master who could parry bullets with lethal croisons and pastrys. Ze Onion, who had a many layers wit hish ands. He had a lether trench coat and mirror shades personailty, and would make grown men cry if he was peeled. Madcat was Bruce willis in Die hard, and was very hard to kil, but Grand Bleu, who was liek superman, but a nazi spy, but the had no shoes. 'freedom' guys didn't know it. I also had Chocolat Noir come back Gneral Mayhem told them wot to do: they were figting from the dead, just becos. the war on terror, an had to help the brits against 'freedom'. A Soi they fought, with Bagette man throwin cakes at them, super-speshul 'freedom covert srtike team was tring to kil Terry which grimm parried with his bare hands (cos they were like Wogan at the eurovision, but I dint tell them wot they were doing bullets) and Gabriel 'sliced, diced and jullienne fries' them. til they got thwere, so theyd hav to do it!!!1 Hans made a dramatic entrance with his reinforcements They went there, but Mathais killed there pilot with a (one of the back □p characters I'd written), so they made lots of cocktail pick, and they crashed near the stadium. Luckily, Hans peoples fall down, while madcat started swimming back from the made his dramatic entrance, so there was a baddass shot of them pacific (he critticaly failed to 'be where the action is'). posing as it exploded behind them. They got in, becos they had Grimm put the kung fu beatdown on Noir, while Gabriel tickets, and I started playin bad europop at them, an told them the invoked bullet time and strated wire wighting with Grand Bleu in mission in a flashback. the rafters, while Hans called in the amrines, who came down on They split up to find Wogan, Grimm started selling ropes from helicopters, while madcat re-loaded from his last save hamburgers with his Hamburger clearnce skill, Gabriel got a coat to get back to the fight. Thien he pretended to bee Captain and kidcked a dor down so people thugh he was David France, and nearly got killed by Grimm, as dEATH 01 (one of the Borealis(you know, that angle guy, from buffy...) Hans got lost an back up guys) killed a whole buchh of epople, then crit failled his madcat went to the BBC booth, where terry was. He found the twin katana death whirlwind roll and killed him sefl. 'freedom' woman who says 'null pwaa' all the time, and failed to Gabe tried to kill Grand Blue, but failed and found out he was a communist, so mad cat used 'kill commie scum' to hit him kill her with the machine gun he'd got (hohoho), but she failed to kill him back, so he killed her again, and passed. He turned roud, with a scorpian tank (+16), while Grimm killed Noir with his 'finish and thefrench ninja, which I called the black berets (with a french them' skill, getting a 56 hit combo to explode her! Madcat accent!!!1!!1) attacked him, led by Capitan France, whol was an disguised Capitan france as Wogan, so Grimm coulkd secure him, uber-leet ninia! while Hans killed lotsa ninjas. Grimm threww lots of hamburgers with his kung fu skill, This left baggette man, who formed a wall against the killing ninja with a chicken royal! Tehn madcat found another PC's guadruple team. 2 of them failed, but the other 2 were using nmachine gun (hohoho), and made ninja die, as the others arrived 2 weapons each, so it was still a quadrupal team. Madcat shot to kick butt, capitan france used an ninja smoke bomb to escape. though the wall of cake so gabriel could jump at him with twin (cos i dint want him to die yet). Then they killed all the ninja, and katanas, which made Bagette man dead. Grimm used his 'secure Wogan' skill to put terry wogan in a plastic Then, they took their stuff, and the USA won the ninja proof box. Then they took the ninjas stuff! On the way, Gabriel walked past a small school kidwho Example Characters passed his 'get kidnagpped' roll, so Gabriel kidnapped him. He was one of the 'freedom' commadoes, and always got captured, so he Juleis Cesar: got the get kidnapped skill. send a bigasz armey to brake shieat ups Then the dedly seductres 'chocolat Noir' turned up and colcock sum red hedded dued jus for tha F of it flashed Hans, who failed to resist seduction. luckily he managed to tax dat ase pass his 'take (it) like a man' tests, including when she stabbed duo it wiht the hot chickz even whatsehernaem with teh hat him. At some point, Grimm tripped her up with a hamburger, inevnet salade which was impaled on her stileto heel! Tehn Grimm ran her over eet graeps with a motorbike!!11!!!1!!!! She wasnt supposed to die then, so I gete stabbd made the kid into a necromancer, but didn't tell noone, as I'm the **Jebus Chris:** D02 master! Wot Jebus wood d02 Then madcat made himslef look like Wogan, an ten Mi daddy oWnz0rs j00r ass Grimm used 'secure Wogan' on him, so he was also in a plastic Do majick shit with fo0d box, somadcat decide to be solid snake instead, so he could move Bitchslap demonz the box around. Then he made the kid look like wogan, and grimm Maek friends wit tax collectas secured him to. Surf wtih NO BORED!!!!1 Then there were some russians, so they tried to kill the П Save verses dearth commies, an managed to kill stalin and lenin, which kinda ended Die 4 ur sins, you sucmmy bastastards. my russian clone plot, which Id just though of. Then they killed the Assend russian entrance to the eurovision, they made the american entry by Grimm using his 'impersonate elvis' skill so the show wouldn't stop. Then they went back to check on Terry, and thre werw more For further information refer to: ninja, who laughted and went back to japan. Then the french ninja attacked, and were kicked in the face or killed with food, then

thevre stuff got taken.
