

## Call For Papers

Minitrack on

### Cellular and Wireless Networks

HICSS-57, January 3-6 2024, Hilton Hawaiian Village Waikiki Beach Resort, Honolulu, Hawaii

#### Paper Submission:

Date: June 15<sup>th</sup>, 2023  
Website: <https://hicss.hawaii.edu>  
Page Limit: 10 pages

#### Topic List:

- cellular (6G, 5G, 4G, 3G, and 2G) and wireless data networks: theory and practice
- wireless communication for the Internet of Things (IoT) and home automation
- theoretical or technical issues in wireless, mobile, and ad-hoc networks
- new applications of wireless networks
- social and environmental aspects of cellular and wireless networks

In general, this minitrack welcomes any submission with a strong focus on cellular and wireless networks. Appropriate non-technical papers are welcome in this minitrack. Prospective authors are invited to contact the minitrack chairs if more specific guidance is needed.
