Cover Crop Field Day Organized by John McHugh in Waialua

Goal of field day held on Nov. 22nd was to examine “early emergence and establishment of sunn hemp, oats, winter wheat, buckwheat, mung beans, and various combinations of these cover crops for weed suppression.”

For questions on these trials please contact:
John McHugh @ 808 341-0230 or Lynne Constantinides @ 808 265-2936
