

## **CURRICULUM VITA**

**James A. Roumasset**  
Department of Economics  
University of Hawaii  
Honolulu, Hawaii 96822  
[jimr@hawaii.edu](mailto:jimr@hawaii.edu)

**Degrees:** B.A., Economics, University of California, Berkeley  
M.A., Economics, University of Hawaii  
Fields: Agricultural Economics, Mathematical Economics  
Ph.D., Economics, University of Wisconsin, Madison  
Fields: Public Economics, Economic Development, Advanced Theory

**Websites:** <http://www2.hawaii.edu/~jimr> and <http://www.uhero.hawaii.edu/61/james-roumasset>

### **University Appointments:**

University of Hawaii, Manoa

1976-1982 and 1982-present: Associate Professor and Professor  
(Environmental and Resource Economics, Economic Development, Public  
Microeconomics).  
2008-present Research Fellow, UHERO

University of the Philippines, Diliman and Los Baños

1978-1979 and 2013-present: Visiting Professor  
(Economics of Agricultural Development, Research Methodology, Advanced  
Microeconomics, Social Organization of Agriculture, and Agricultural Policy for  
Development, Resource Economics, Energy Economics, Disaster Economics)

University of California, Davis

2007: Agricultural Extension Specialist (Organizer, First Occasional All-UC Water  
Retreat, Dec 20 at UC Davis).

Australian National University, Canberra

Summer 1981: Visiting Professor  
(Risk and Decision-Making, and Agricultural Development)

University of Maryland, College Park

Spring 1985: Visiting Professor  
(Production Economics, Economics of Agricultural Development)

Yale University, New Haven

1985: Visiting Fellow  
(Population and Rural Development, Economic Policy for Agricultural Development)

University of California, Davis

1972-1976: Assistant Professor  
(Graduate and Undergraduate Public Economics, Econometrics, and Decision-  
Making under Uncertainty)

**Research/Administrative Positions:**

- 2012-3: Chair, Tenure Promotion and Review Committee, Economics Department, UHM.
- 2013: University of Hawaii, Manoa Working Group on Sustainability Curriculum.
- 2012: Program Committee, European Association of Environmental and Resource Economists Annual Conference (Rome)
- 2012: Program Committee, American Association of Environmental and Resource Economists Annual Workshop (Seattle)
- 2011: Program Committee, European Association of Environmental and Resource Economists Annual Conference (Rome)
- 2011: Program Committee, American Association of Environmental and Resource Economists Annual Workshop (Seattle)
- 2007-2011: Environmental Director for UHERO
- Ongoing: Board of Editors, *Contemporary Economic Policy*
- Ongoing: Editorial Advisory Board, *Asian Journal of Agriculture and Development* (AJAD)
- Ongoing: Delegate, Universities Council on Water Resources
- 2007-2009: UHM Climate Change Commission
- 2007- 2009: Vice Chancellor's Blue Ribbon Committee on Promoting Environmental Research
- 2005-2009: Chancellor's Sustainability Council
- 2006-2009: Coordinator, Research Subcommittee, UHM Sustainability Council
- 2004-2007: Board of Directors, Western Economic Association International
- Ongoing: Referee for eight journals in environmental economics, agricultural and resource economics, public economics, international and development economics, and industrial organization (12-20 manuscripts per year).
- 1999 Visiting Economist, AGILE/DAI/USAID office, Manila
- 1997-1998: Member, Executive Committee, Center for Southeast Asian Studies, University of Hawaii
- 1997-1999: Member, Hawaii Natural Resource Economics Working Group
- 1996-99: Member, Executive Committee Advisory Board, Hawaii Council on Economic Education
- 1995-00: President, Hawaii Association of Scholars

- 1995-97: Board of Editors, *Asian Journal of Agricultural Economics*
- 1993-99: Coordinator, Resource Management Certificate Program, University of Hawaii
- 1994-95: Member, Hawaii Task Force on Substance Abuse
- 1992-1997 Director, Project on Economic Security and Global Change, Social Science Research Inst., UHM
- 1992-94: Board of Editors, *SE Asian Journal of Agricultural Economics*
- 1987(Jan-Aug): Public Finance and Irrigation Economist, World Bank
- 1985-92: Board of Editors, *Journal of Economic Behavior and Organization*
- 1982-1984: Project Leader, East-West Center projects on food security and agricultural policy and human resources and rural development (Planning and administration of research budget, coordination of research and seminar program, fund raising)
- 1978-1979: Director and lead economist, Agricultural Development Council, Philippines; Visiting Scientist, International Rice Research Institute
- 1977-79: Board of Editors, *American Journal of Agricultural Economics*
- 1976-1977: Senior Fellow, East-West Food Institute, Honolulu
- 1974: Post-Doctoral Fellow, International Rice Research Institute, Philippines
- 1971: Research Associate, School of Economics, University of the Philippines, Diliman
- 1967-1968: Agricultural Economist, Bicol Development Planning Board, Philippines (Planned, coordinated, and monitored agricultural development projects)
- 1965-1968: U.S. Peace Corps, Philippines (teacher training and economic development)

#### **Awards and Grants:**

“Sustainability Science for Food, Forests, and Floods: Integrating Climate Adaptation and Pro-Poor Resource Management” grant to organize a workshop. UHM Office of the Vice Chancellor for Research and Graduate Education \$ 5,700, International Food Policy Research Institute \$3,000, 2011.

“Ecosystem Function: Natural, Anthropogenic, and Invasive Species Contributions to Biogeochemical Evolution of Groundwaters and Coastal Environments of West Hawaii” NSF/EPSCoR \$113,291, January 2010-September 2014 Island of Hawaii and Honolulu, Hawaii, UH (Co-investigator; No salary support)

“Incentives for Carbon Sequestration in Forests: Offsets and Direct Payments,” International Food Policy Research Institute, \$28,455; 2009-2010. (Principal Investigator)

“Sustainable groundwater management for Southern Oahu in the face of climate change,” UHM

Office of the Vice Chancellor for Research and Graduate Education, \$21,800; 2009. (Principal Investigator)

“Optimal Groundwater Extraction and Water Recycling,” US Geological Survey via the University of Hawaii Water Resources Research Center; \$12,689; 2009-10. (Principal Investigator)

“Integrated Management of Multiple Aquifers in the Face of Climate Change,” US Geological Survey via the University of Hawaii Water Resources Research Center; \$20,525; 2008-9. (Principal Investigator)

“Sustainability Seed Grant,” UH Sustainability Council; \$10,400; 2007-2008. (Principal Investigator)

“Sustainability Science for Watershed Landscapes,” Southeast Asian Regional Center for Graduate Studies and Research in Agriculture (SEARCA) via University of Hawaii Water Resources Research Center, \$7,500, 2007-2008. (Principal Investigator)

“Efficient Water Management and Block Pricing for Integrated Aquifers: Lessons from Southern Oahu,” US Geological Survey via the University of Hawaii Water Center; \$8,906; 2007-2008. (Principal Investigator)

University of Hawaii Manoa College of Social Sciences Distinguished Research Award, 2005-06

“Integrated water management with multiple aquifers,” US Geological Survey via the University of Hawaii Water Center; \$17,632; 2006-7. (Principal Investigator)

“Optimal Public Control of Exotic Species,” US Fish and Wildlife Service, \$44,111; 2005-7 (Principal Investigator).

“Coastal Groundwater Management with Positive Stock Externalities,” US Geological Survey via the University of Hawaii Water Center; \$151,414; 2005-8. (Principal Investigator).

“Integrated Management of Multiple Aquifers with Subsurface Flows and Inter-District Water Transport,” US Geological Survey via the University of Hawaii Water Center; \$19,713; 2005-6. (Principal investigator)

“Integrating Prevention and Control of Invasive Species: Lessons from Hawaii,” US Department of Agriculture (PREISM program); \$200,000; 2003-6. (Principal investigator)

“Efficient Water Allocation and Pricing with Win-Win Conservation Surcharges: The Central Oahu Corridor,” US Geological Survey via the University of Hawaii Water Center; \$24,045; 2003-2005.

“Mitigating Runoff as Part of an Integrated Strategy for Nearshore Resource Conservation,” National Oceanic and Atmospheric Administration via the University of Hawaii Sea Grant College Program; \$65,125; 2003-5. (Principal investigator)

“A Win-Win Approach to Water Pricing and Watershed Conservation,” US Geological Survey via the University of Hawaii Water Center; \$24,375; 2002-4. (Principal Investigator)

Listed by The National Bureau of Asian Research and *The Guide to Public Policy Experts*, 1998-2000 and in the *Insiders Guide to Policy Experts*, 2003

Impacts of Globalization on Food Security and the Environment, UH Globalization Center grant, 2000. (Principal investigator)

Environmental Valuation and the Hawaiian Economy, The Nature Conservancy, \$40,000 1998. (Principal investigator)

Sustainable Resource Management and the Depreciation of Environmental Capital: Applications to Energy Use and Global Warming, National Science Foundation Grant SES 91-22370, 1992-94. \$106,918 (Principal investigator)

Specialization and the Coevolution of Agricultural Markets, University of Maryland Institutional Reform and the Information Sector Grant, 1992-94. (Principal investigator)

Second Sourcing and Organization Efficiency in Japan and the U.S. (Co-PI, with J. Richardson), Pacific-Asia Management Institute Grant, 1991

Environmental Depreciation and National Income Accounting, Office of Research Administration Grant, University of Hawaii, 1990-91 (Principal investigator)

Environmental Mediation: The Case of Global Warming and Seawalls, (Co-PI, with K. Lowry and M. Ridgely), College of Social Sciences, University of Hawaii, 1990-91

Rural Labor Markets and Economic Development (Co-PI, with R. Evenson and L. Martin), Population Council Grant, 1984-86

The Causes and Consequences of Tenure Choice, National Science Foundation Grant, 1974-1976. (Co-PI with Joe Reid).

The Causes and Consequences of Tenure Choice, National Science Foundation Grant to UHM, 1976-1977. (Principal investigator).

First place in 1973 Omicron Delta Epsilon Society competition for best U.S. Ph.D. dissertation in Economics: "Risk and Choice of Techniques for Peasant Agriculture and the Case of Philippine Rice Farmers"

Listed among top 2% of economists at: [ideas.repec.org/top/top.person.dnbworks.html#pro186](http://ideas.repec.org/top/top.person.dnbworks.html#pro186)

**Memberships:**

- American Economic Association
- American Agricultural Economics Association
- International Association of Agricultural Economists
- Association of Environment and Resource Economists
- International Society for the New Institutional Economics
- Western Economic International Association
