All are invited to attend a forum on sustainability, where video highlights will be shown from last month's International Conference on Environmental, Cultural, Economic and Social Sustainability, which was held at UH Manoa's East-West Center.

Video excerpts will include presentations by Ramsay Taum, Director of Oahu Operations at The Hawaii Nature Center, Helena Norberg-Hodge, Founder and Director of The International Society for Ecology and Culture (ISEC), and others. Kealoha Kinney and Professor Derrick Hindery, from UH Department of Geography and Environmental Studies, will host the event.
