

## Mission Statement

The Peace Club is a diverse group of students committed to ho'ō maluhia (making peace). We encourage disarmament through peaceful international cooperation, protest pre-emptive aggression, promote nonviolent solutions to world conflict, and educate for social justice. The Peace Club will strive to promote scholarship, to develop leadership and service, and to cultivate political and environmental awareness. We will work for human rights and a more peaceful world for future generations.

### Activities

Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.

--Martin Luther King Jr.

### Activism

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.

--Margaret Mead
