

On-Site Training Solutions

Every VITEC class is available for delivery directly to your company – “when and where you want it”.

Maximize Your Training Resources

On-site training allows you to train work groups, teams, and entire departments for less than the cost of public classes.

Training Focused on Your Needs

We listen to your needs, and then give your team members the real-world skills they need to achieve your goals.

To discuss how to give your team the skills, knowledge and confidence they need to meet tough workplace challenges head-on, realize their full potential and perform at their peak:

Commercial Driver's License Training

Maui Community College VITEC's Commercial Driver's Licensing (CDL) Training program offers CDL permit and field training for individuals interested in obtaining a CDL license. Having a CDL license allows you the opportunity to drive a commercial vehicle in any of our 50 states. Prepare for employment in the Transportation Industry by registering for our CDL classes now!

Call 984-3231 for information and registration.

The training at MCC-VITEC was exactly what I needed. Ken helped me to improve as a truck driver and taught me the skills needed to pass my CDL test. This course was fun, and I learned a lot!
