

Art 115 - Introduction to Design (31526, 31528)

Materials & Supplies - Fall 2008

Required text: Design Basics by Lauer & Pentak, 7th Edition

Be ready for every class by having your materials and equipment available. Learn about and develop successful control of your tools and materials. All items will be discussed in class and demonstrated when necessary.

The following costs are approximate and will range from about \$100 to \$125. You will use some of the equipment in other art classes. Supplies for the color project are not included in the total, as they will be purchased towards the end of the semester.
