

CURRICULUM VITA

Michael R. Ogden, Ph.D.

November 1998

Department of Communication
University of Hawai'i, Manoa
2560 Campus Road, George 336
Honolulu, HI 96822 USA
Tel: (808) 956-3341
Fax: (808) 956-5591
Email: ogden@hawaii.edu

1477 Alencastre St.
Honolulu, HI 96816
Tel (808) 732-2010

Birth: 2 September 1959
Nationality: USA
SS#: 544-78-####

EDUCATION

Ph.D. (1993)

University of Hawai'i, Manoa — Political Science
Dissertation: *ISLANDS ON THE NET: Technology and Development Futures for Pacific Island Microstates*

M.A. (1986)

University of Hawai'i, Manoa — Communication
Thesis: *THE BIG PUSH: A Critical Analysis of Telecommunications Development in the South Pacific Islands.*

Graduate Certificate (1986)

University of Hawai'i, Manoa — Pacific Islands Studies

B.A. (1982)

George Fox College, Newberg, Ore. — Communication Arts
Major: Television Production
Minor: Sociology

POSITIONS

(1994, August–present) *Assistant Professor*, Department of Communication, University of Hawai'i, Manoa, Hawai'i: Manage and instruct undergraduate and graduate telecommunication & new media courses and seminars (including video & multimedia production); supervise undergraduate, M.A. and Ph.D. students; conduct and supervise research in areas of expertise; publish research in appropriate professional media; provide professional service to the local, national and Pacific/Asia communities.

(1988, May–1994, August) *Instructor*, Center for Pacific Islands Studies, University of Hawai'i, Manoa, Hawai'i: Manage and instruct course on social, political and economic change in Micronesia, advise students, participate in curriculum development, and conduct research in area of specialty.

(1986, November–1988, April) *Research Intern*, East-West Center, Honolulu, Hawai'i: Conduct extensive database and library research; assist in the development of research framework, measurement indices and field questionnaire; conduct field research in selected Pacific Island countries and participate in data analysis and compilation of final report.

(1986, January–August) *Assistant Seminar Coordinator*, 1st Pacific Peace Seminar, University of Hawai'i, Manoa, Hawai'i: Responsible for general administration, budget (including grantsmanship), curriculum design, venue, coordination of volunteers and participants, and production of documentary video.

- (1984–86) *Teaching Assistant*, University of Hawai'i, Manoa, Hawai'i: Manage and instruct courses in interpersonal communication skills, and telecommunication (TV) production.
- (1985, May–September) *Research Intern*, East-West Center, Honolulu, Hawai'i: Developed an annotated bibliography on national policy and minority cultures in Asia and the Pacific. Extensive library and computer database research as well as manuscript editing.
- (1983–84) *Lecturer*, University of the South Pacific, Suva, Fiji: Manage and instruct courses in educational media production including photography and video and assist in the training for trainers program.

OTHER POSITIONS

- (1997, September–December) *Resident Director*, UHM London Study Abroad Program. Supervise students from Hawaii participating in program, teach a senior-level course on European media and act as the official liaison between the University of Hawaii and Thames Valley University (host institution) on all academic matters.
- (1996–present) *Graduate Faculty*, UHM, Communication & Information Sciences Interdisciplinary Ph.D. program.
- (1994–present) *Affiliate Graduate Faculty*, UHM, Center for Pacific Islands Studies.
- (1992, April–September) *Foreign Visiting Researcher*, National Institute of Multimedia Education, Chiba, Japan. Participate in data collection, analysis and final report on a sociological study of Pacific Islander post-secondary student attitudes to distance education.
- (1990–91) *Research Associate*; Social Science Research Institute, University of Hawai'i, Manoa. Quarter-time appointment for research on the social impact of television in Micronesia.
- (1989–1991) *Lecturer*; Communication Department, University of Hawai'i, Manoa. Manage and instruct courses in the political economy of telecommunications in the Pacific hemisphere and communication technology and society.
- (1989–1994) *Manager of Information Systems*, School of Hawaiian, Asian & Pacific Studies, University of Hawai'i, Manoa. Quarter-time appointment to manage Macintosh and IBM networks; test, recommend and support academic computing software; troubleshoot and maintain computing hardware.
- (1988–present) *Member of the Editorial Board*, (peer-review journal), *The Contemporary Pacific: A Journal of Island Affairs*, Honolulu, HI: Center for Pacific Islands Studies & the University of Hawai'i Press.
- (1986, May) *Rapporteur*, TIDE 2000: Telecommunications, Information and Inter-Dependent Economies (pt.2), Honolulu, HI. Write extensive summaries of OECD sub-session meetings and prepare reports of same for discussion at plenary sessions.
- (1985, '86 & '87, January) *Rapporteur*, Pacific Telecommunications Council's PTC'85, PTC'86 and PTC'87, Honolulu, HI. Write reviews of submitted papers and extensive reports on Plenary proceedings and/or Session Seminars.
- (1982–84) *Peace Corps Volunteer*, Fiji Islands: Associate Lecturer in Educational Media, University of the South Pacific (1.5 years); Assistant Manager, Waimaqera Cooperative Farm (0.5 year).
- (1981–82) *Production Assistant*, George Fox College Television Center, Newberg, Ore.
- (1980–81) *Librarian Assistant*, George Fox College Library, Newberg, Ore.

COURSES TAUGHT (with catalog descriptions)

- COM 303 *Communication & Society* (discontinued)—Role of communication in processes of social order, conflict, & change. Impact of technology & mass media on societal systems of communication & meaning.
- COM 330 *Telecommunication Concepts & Technologies*—Basic electronics & concepts of telecommunications; orientation to telecom technologies including television, radio, cable, video disc, & telecom/computer convergence [www2.hawaii.edu/~ogden/com330/].
- COM 331 *Fundamentals of Visual Media*—Orientation to procedure & techniques of production. Emphasis on history, language & theory of production & creative process with application to video & multimedia [www2.hawaii.edu/~ogden/com331/].
- COM 337 *Introduction to Multimedia*—Combined lecture-lab course providing orientation to, & examination of, procedures & techniques of multimedia. Emphasis on literacy, human-computer interaction & basic interactive design [www2.hawaii.edu/~ogden/com337/com337.html].
- COM 441 *Communication Policy & Planning*—Alternative models in policy & planning which bring about or inhibit social, economic, & technical development in communication systems & their environments [www2.hawaii.edu/~ogden/com441/com441.html].
- COM 442 *Communication in the Pacific Hemisphere*—Comparative communication processes, development communication, technology, knowledge & skill transfer, & regional communication issues in Pacific hemisphere [www2.hawaii.edu/~ogden/com442/com442.html].
- COM 459 *Special Topics: Global Media & Eurocultural Identity*—Writing intensive senior-seminar examining forces of globalism & localism, of “deterritorialization” of global media industries, the realities of contemporary tribalism, the complex nature of European (mainly British) cultural identities, & the socio-cultural role of the media.
- COM 499 *Special Problems*—Independent study of selected topics under faculty supervision (typically, computer-mediated communication subjects &/or multimedia or video productions).
- COM 612 *Communication Research Methods*—Introduction to major steps in the research process. Emphasis on methodological approaches to quantitative & qualitative social science research & choosing among alternative methodologies at each step of the research cycle.
- COM 634 *Telecommunication Services*—Systematic study from a social science perspective of current & emerging teleservices. Attention to user needs & impact, & to teleservice design [www2.hawaii.edu/~ogden/com634/com634.html].
- COM 650 *Communication Policy*—Examination of past & present formations & implementations of communication infrastructure policies in world, national & local arenas & their role in economic, political & social development [www2.hawaii.edu/~ogden/com650/].
- COM 681 *Telecommunication Systems & Networks*—Increase understanding of telecom systems, networks with concentration on specific technologies. One of five core courses leading to a Graduate Certificate in Telecommunication & Information Resource Management (TIRM) [www2.hawaii.edu/~ogden/com681/].
- COM 695 *Communication Practicum*—Supervised work experience, study of an organization & career planning. Required of Plan B students in the M.A. program.
- COM 699 *Directed Reading & Research*—Individual reading &/or research under faculty supervision (typically subjects related to communication policy, computer-mediated communication, &/or multimedia productions).
- COM 700 *Thesis Research*—Chair M.A. theses related to communication policy, computer-mediated communication, telecommunication technology, and converging media studies.

Non-Communication Courses Taught

GEOG 365 *Geography of the Pacific*—Geo-physical character of the Pacific; cultural, political, economic geography of Melanesia, Micronesia & Polynesia (except Hawaii).

PACS 391 *Change in the Pacific: Micronesia*—Impact & interrelationship of present & historical changes in cultural, political & economic development in the island states of Micronesia.

CONSULTANCIES & TRAINING/WORKSHOPS

- (1998 October 21-23) “Primer on Telecommunications,” a 3 hour workshop on basic telecoms. Pacific Telecommunications Council / Pacific Islands Telecommunications Association Conference & Exhibition, *New Perspectives on Island Telecoms: Global Networks, Local Requirements*, Raffles Tradewinds Hotel & Convention Centre, Suva, Fiji.
- (1997 March–April) *Post-production; Black Pearl Oyster Farming*, aprox. 30 minute training & documentary video for Pacific Aquaculture Development Program, Sea Grant College Programs, University of Hawai’i at Manoa [*pro bono*].
- (1994, April 25–May 6) *Adjunct Delegate*; Foundation for the Peoples of the South Pacific, United Nation’s *Global Conference on the Sustainable Development of Small Island Developing States* (Bridgetown, Barbados). Attended technical meetings on behalf of the FSP, participated in UN discussions regarding computer mediated communication networks in support of sustainable development, particularly in the Pacific Islands region [*pro bono*].
- (1989, November 13–24) *Video Production Trainer (Majuro, RMI)*; Conducted a training course in basic video production for the South Pacific Commission's Regional Media Centre (Suva, Fiji), including teaching all components of the course, maintaining financial records and organizing all in-country activities.
- (1989, September 25–October 5) *Video Production Trainer (Pohnpei, FSM)*; Conducted a training course in basic video production for the South Pacific Commission's Regional Media Centre (Suva, Fiji), including teaching all components of the course, maintaining financial records and organizing all in-country activities.
- (1989, April–June) *Seminar Coordinator*; for the Pacific Telecommunications Council's Mid-Year Seminar, *Rural & Remote Communications: A Pacific Islands Focus*. Honolulu, HI.
- (1989, January) *Workshop Coordinator* and manager for the US Dept. of Commerce sponsored PTC'89, *Pacific Island Users Workshop*; compiled the final report.
- (1988, July–October) *Kiribati & Tuvalu, Researcher*; for the Office of Research, US Information Agency, Washington, DC.
- (1988, July–October) *Republic of Fiji, Researcher*; with Michael P. Hamnett for the Office of Research, US Information Agency, Washington, DC.
- (1987, September) *Fiji's Political and Economic Climate After the 1987 Coups*; for Mark Glen Associates of Honolulu, HI.

OTHER SERVICES

- (1998–present) *College of Social Sciences Representative, Council on Study Abroad*, report to the Assistant Vice President for Academic Affairs, recommend policy, advise, and review proposed study abroad academic programs and courses for feasibility and consistency within established guidelines.

- (1996 Fall–present) *Executive Committee Member*, Broadcast Communication Authority, University of Hawaii at Manoa. Oversee and administer the electronic communication facilities of non-curricular, student-run broadcast media (radio, television & film).
- (April 1998–present) *Newsletter Editor*, Law & Policy Division, Broadcast Education Association.
- (1994–Fall 1997) *Geography & Culture of Micronesia*, 2 hour presentation for Hawaii Pacific University's Elderhostel Program, (continuing) Pacific Islands Institute Lecture Series.
- (1997–1999) *Vice-Chair, Media & Communication Committee*, Pacific Telecommunications Council (PTC), Honolulu, HI, USA. One of several standing committees which report to the PTC Board of Trustees in consultation with the Executive Board.
- (1995–1998) *Multimedia Instructor*, Center for Modern Media, Summer Program for the Enhancement of Basic Education (SPEBE), Hawaii State Department of Education. Provide college-level training for gifted high school students in electronic media.
- (1995–1996) *Small Islands, Big Issues*, 2 hour presentation for Hawaii Pacific University's Elderhostel Program, Pacific Islands Institute Lecture Series.
- (1994, September 15) *Overview of Pacific Island Cultures*, 2 hour presentation for Hawaii Pacific University's Elderhostel Program, Pacific Islands Institute Lecture Series.
- (1994, May 12) *Sustainable Development of Small Island Developing States: The Pacific Islands and the Barbados Conference*, presentation with Dr. Michael Hamnett, SSRI, at the Center for Pacific Islands Studies Occasional Seminar Series 1993-94.
- (1993, November 15) *Thinking Locally, Acting Globally: Sustainable Development of Small Island Developing States*, 2 hour presentation at Session #2 of Model United Nations, Iolani High School Auditorium, Honolulu, HI.
- (1993, October 15) *Introduction to Pacific Islands Issues*, 1 hour presentation to the Freedom Forum Fellows, School of Hawaiian, Asian and Pacific Studies, University of Hawaii at Manoa.
- (1993, April 21) *Pacific Islands on the Net: Convergent Telecommunications Technologies and Pacific Islands Development Futures*, presentation at the Center for Pacific Islands Studies Occasional Seminar Series 1992-93 and separately via PeaceSat satellite conferencing (by invitation).
- (1993, January 17) *Development & Change in Pacific Islands Telecommunications*, presentation in fifth cycle of Telecommunications & Information Resources Management Program (TIRM) at PTC'93 for the UHM Department of Communication.
- (1992, January 16) Coordinate and Chair a full-day workshop, *The Pacific Islands and INTELSAT VII: Countdown to 1993 and Beyond*. Informational orientation to the INTELSAT VII and other satellite options designed for the Pacific Region focusing specifically on the potential impact of such options on the communication services and networks in the Pacific Islands; held at the Pacific Telecommunications Council's 14th Annual Conference (PTC'92).
- (1991, June 5) *Pacific Islands Overview*. Two-hour guest lecture and slide presentation to Peace Corps Volunteers going to Fiji and Federated States of Micronesia (by invitation).
- (1991, January 18) Coordinate and Chair a half-day workshop, *Managing Change: Telecommunications for the Pacific Islands*, focusing on organizational and policy change in Pacific Islands telecommunications and the impact such changes will have on the communication services and networks in the Pacific Islands region at the Pacific Telecommunications Council's 13th Annual Conference (PTC'91).
- (1990, January 18) Coordinate and Chair a half-day workshop, *Telecommunications Developments in the Pacific Islands*, focusing on past, present and future

telecommunications developments within the Pacific Islands region at the Pacific Telecommunications Council's 12th Annual Conference (PTC'90).

- (1989, July-August) Instructor for two courses, *Change in the Pacific: Micronesia* (PACS 391) and *Geography of the Pacific* (GEOG 365), as part of the "Majuro Teacher Training Summer Program" for the Republic of the Marshall Islands and the University of Hawaii's College of Continuing Education & Community Service.
- (1989, June 1) *Pacific Islands Overview*. Two-hour guest lecture and slide presentation to Peace Corps Volunteers going to Fiji and Marshall Islands (by invitation).
- (1988, October 27) *Kiribati: Nation of Water*. One-hour guest lecture and slide presentation to the Hawaiian Historical Society (by invitation).

GRANTS & AWARDS

- (1998-99) *PTC Research Grant*, Pacific Telecommunications Council, Honolulu, HI. Grant supporting field work and two-round Delphi of telecommunications development issues in the Pacific Islands region in order to identifying critical obstacles to development and outline salient approaches to solutions [\$8,500].
- (1997 & 1998) *Summer Program for the Enhancement of Basic Education (SPEBE) Center in Modern Media*, [www.soc.hawaii.edu/spebe/] Hawaii State Department of Education. Principal investigator, co-director (with Vernon Kato) and instructor for an intensive six-weeks college-level training program for Hawaii public high school Juniors and Seniors in journalism, video and multimedia production [\$64,000 & \$50,600 respectively].
- (1991-92) *PTC Research Grant*, Pacific Telecommunications Council, Honolulu, HI. Grant supporting field work on a comparative examination of the role and impact of telecommunications technology on development efforts in the Republic of the Marshall Islands and the Cook Islands [\$7,000].
- (1990) *Pilot Study Research Grant*, Social Science Research Institute, University of Hawai'i, Manoa. Seed-money. Train field workers and conduct preliminary data gathering for an investigation of the social impact of television in the Marshall Islands and Palau [\$9,500].
- (1987) *1987 Beyond War Award*, Beyond War Foundation, Palo Alto, Calif. In recognition of past and current Peace Corps Volunteers' contributions to peace through development.

SCHOLARSHIPS

- (1991) *Political Science Department Travel Grant*. For support of Ph.D. field research, University of Hawai'i at Manoa (competitive).
- (1986) *Pacific-Asian Scholarship*, University of Hawai'i, Manoa. For academically meritorious students pursuing a planned course of study important to the Asia-Pacific region (competitive).
- (1981-82) *Jackson Foundation Writing Scholarship*, George Fox College, Newberg, Ore. For excellence in scholarly writing (competitive).

GENERAL

Research interests: Political economy of electronic media & information technology; alternative futures in the Asia-Pacific region; Pacific Islands media; information technology's role in and impact on indigenous societies; communication & sustainable development.

Professional membership: Broadcast Education Association (BEA); Computer Professionals for Social Responsibility (CPSR); Pacific Telecommunications Council (PTC); World Futures Studies Federation (WFSF).

LANGUAGES

Fijian (speak, read, & write — fluent); Japanese (speak — modest).

RECENT VIDEO & MULTIMEDIA PRODUCTIONS [NON-COURSE RELATED]

Producer & on-camera talent (1998). *Introduction to Off-line Editing*. [RT 0:44:20] instructional video for the UHM, Department of Communication, Honolulu, HI.

Co-producer, co-scriptwriter & AVID™ Editor (1997). *Producing Black Pearls*. [RT 0:21:29] instructional documentary video for the Pacific Aquaculture Development Program, UHM SeaGrant/SOEST, Honolulu, HI.

Producer (1997). *Spanish Summer Study Abroad*. [RT 0:15:18] promotional and recruitment video for UHM Study Abroad Center, Honolulu, HI.

Producer (1996). *Aquaculture's Promise*. [RT 0:12:13] educational video for the Center for Tropical and Subtropical Aquaculture, UHM SOEST, & The Oceanic Institute, Waimanalo, HI.

Producer (1995). *UHM London Study Abroad*. [RT 0:16:08] promotional and recruitment video for UHM Study Abroad Center, Honolulu, HI.

Department of Communication World Wide Web (WWW) Home Page [www2.soc.hawaii.edu/com/], develop, design and supervise maintenance of the electronically hyperlinked presence for the Department of Communication at the University of Hawaii.

CPSR Hawaii World Wide Web (WWW) Home Page [www2.hawaii.edu/~ogden/cpsr/], design and supervise the programming and maintenance of an electronically hyperlinked presence in Hawaii for Computer Professionals for Social Responsibility.

Pacific Islands Internet Resources World Wide Web (WWW) Home Page [www2.hawaii.edu/~ogden/piir/], an award winning, electronically hyperlinked document to Internet-based resources on or about the Pacific Islands.

REFEREED JOURNALS

(1998, February/March) “Envisioning New—Buying Used: Are the Pacific Islands Caught Between Alternative Communication Futures?” *Futures: The Journal of Forecasting, Planning and Policy*, (Special Issue on Futures of Communication), 30, (2–3), 147-160.

(1998, February/March) with M. Tehranian, “Uncertain Futures: Changing Paradigms & Global Communications,” *Futures: The Journal of Forecasting, Planning and Policy*, (Special Issue on Futures of Communication), 30, (2–3), 199-210.

(1996, June/July) “Electronic Power to the People! Who is Technology’s Keeper on the Cyberspace Frontier?” *Technological Forecasting & Social Change*, (Special Issue on Technology and Law in the 21st Century), 52, (2 & 3), 119-133.

(1994, December) “MIRAB and the Marshall Islands.” *Isla: A Journal of Micronesian Studies*, 2, (2), 237-272.

REVIEWS & COMMENTARIES

- (1998) "Ethical Action & Emerging Technologies: Between a Rock & a Hard Place?" Case Commentary #4 on "Marketing New Software & Choreographing Intelligent Agents," *Journal of Mass Media Ethics*, 13, (2), 133-136.
- (1998) Manuscript review, Campbell, R. *Media and Culture: An Introduction to Mass Communication*. (proposed 2nd Edition, St. Martin's Press, New York, NY).
- (1997) Manuscript review, Zettl, H. *Sight, Sound, Motion: Applied Media Aesthetics*. (proposed 3rd Edition, Wadsworth, Belmont, CA).

- (1997) Manuscript review [blind], *Radio Happy Isles*. (University of Hawaii Press).
- (1996) Manuscript review, Zettl, H. *Video Basics*. (proposed 2nd Edition, Wadsworth, Belmont, CA).
- (1996, Spring) "Republic of the Marshall Islands: Political Review." *The Contemporary Pacific: A Journal of Island Affairs*, 8, (1), 164-169.
- (1992) Review of, Robillard, A.B. *Social Change in the Pacific Islands*. (1992, Kegan Paul International, London & New York), *Prometheus*, 10, (2), 348-351.

OTHER PUBLICATIONS

- (1995, October) "Pacific Islands, Information Technology & Universal Access: It's Not Just About Wires." *Development Bulletin*, (publication of the Australian Development Studies Network), 35, 19-22.
- (1994, September) "Enter the Internet." *PTR: Pacific Telecommunications Review*, 16, (1), 21-22.
- (1993) *Islands on the Net: Technology and Development Futures in Pacific Island Microstates*. Honolulu, HI: Pacific Telecommunications Council (PTC).
- (1992, September) "Communication Technology and Development in Pacific Island Microstates." *PTR: Pacific Telecommunications Review*, 14, (1), 9-16.
- (1989, November) Editor, *Rural & Remote Communications: A Pacific Islands Focus*, Proceedings of the Pacific Telecommunications Council's Mid-Year Seminar. Honolulu, HI: PTC.
- (1989, June) "Organization for Regional Telecommunications Development: The South Pacific Telecommunications Development Program Into the 1990s." *Pacific Telecommunications*, 10, (1), 13-15.
- (1988, January) with P. Holloway, "Old Problems Meet New Technologies: South Pacific Regional Telecommunications Developments," *PTC Quarterly*, 8, (4), 17-19.
- (1985, September) with D. Wu, *National Policy and Minority Cultures in Asia and The Pacific: A Partially Annotated Bibliography*. Honolulu, HI: Institute of Culture & Communication, East-West Center.

COMMISSIONED PAPERS & REPORTS

- (1994, August 21–24) "Future Prospects in Communication Technology: Will the Pacific Islands Get 'Wired'?" Invited presentation at the Asia Foundation's *Seminar on Global Trends and the Future of the Pacific Islands*, Coconut Plantation, Kauai, Hawaii.
- (1993, August 16–20) with M. Jussawalla, "Expanding the Capability to Communicate: Telecommunications & Information Technologies in Pacific Islands Development." Presented at the Maui Pacific Center's *Third Cultural Values in the Age of Technology Conference/Workshop*, The Ritz-Carlton, Kapalua, Maui.
- (1992, November) *Pilot Study of the Social Impact of Television in Micronesia: Community Assessment in Palau and the Marshall Islands*. Honolulu, HI: Social Science Research Institute, University of Hawai'i at Manoa.
- (1988, November) "Kiribati & Tuvalu: Pacific Island Microstates." Part of the series, *Issues and Interest Groups in the Independent and Freely Associated States of the Pacific Region*, (Commissioned Report) Washington, DC: US Information Agency.
- (1988, November) with M. Hamnett, "The Republic of Fiji," Part of the series, *Issues and Interest Groups in the Independent and Freely Associated States of the Pacific Region*, (Commissioned Report) Washington, DC: US Information Agency.

UNPUBLISHED PRESENTATIONS

- (1998, November 5-7) "Weaving an Island Web" [Featured Presentation]. 24th Annual University of Hawaii, Pacific Islands Studies Conference, *Pacific Collections: Developing Libraries for the Twenty-First Century*, Keoni Auditorium, East-West Center, Honolulu, Hawaii.
- (1998, June 10-13) "Web/Online/Internet Learning: A Faculty FAQ for the Mediated Curriculum." In the panel, *Building Pan-Pacific Learning Communities: The Role of Communications Technologies*, part of a Ford Foundation conference, *Moving Cultures: Remaking Asia-Pacific Studies*, Imin Conference Center, East-West Center & University of Hawaii, Center for Pacific Islands Studies, Honolulu, Hawaii.
