

## Answers to exam 1

There were three version of Exam 1. All versions had the exact same questions however the questions were asked in a different order.

Below are the answers to the questions. Here is how you know which version you have:

In version 1 the number in the top right corner of the exam is 399 or less.

In version 2 the number in the top right corner of the exam is between 400 and 699.

In version 3 the number in the top right corner of the exam is greater than 699

Note: there was an error on the master grading sheets for all three versions of the exam. The error occurred on questions

4 version 1

9 version 2

27 version 3

The incorrect master scan sheet showed B as the answer when D is the correct answer. The corrected question is shown below in red.

If you answered B on this question, I will deduct 1 point from your score.

If you answered D, I will add 1 point to your score.

If you answered A,C or E, there is no change in your score.

The corrected grades will be posted in a day or two.
