- Officers
- Advisors

Membership

- Fill out a waiver form found under "Join Us" on the website
- Membership fee of \$20 per semester or \$30 per year
 - Pays for t-shirts, name tags, food, and events

Announcements

Sign up forms for the **Pre-Vet Mentorship Program** were passed out to students. This program was started by the previous PVC president Page Iida and with help of our club advisor Dr. Ashley Stokes. Tracey Shigeta will be the coordinator. The goal of this program is to pair students with vets to gain valuable experience (ie. shadowing, volunteering, possible job position etc.). We aim to get as many vets to sign up so we can have a variety of opportunities! The paperwork and matching will take place this semester so you all will be able to jump right into the program in January, 2012.

Also, the **Honors program** is accepting applications. The Honors Program provides opportunities to conduct independent research projects or creative expression under the guidance of faculty. Graduation from this program merits earning your bachelor's degree "with Honors."

Please visit our website for more information, and to apply after September 1, 2011: www.honors.hawaii.edu

If you need help advising, Dr. Stokes would love to schedule an appointment with you! Please email her at "amstokes@hawaii.edu"

Events
