Time for a change! New opportunities, new ideas, more possibilities!

Thank you to all members that attended this past meeting. We introduced our new advisor, Dr. Ashley Stokes. Dr. Stokes graduated from Louisiana State University with a DVM/PhD. She started at UHM about a year and a half ago as the associate extension veterinarian and the pre-veterinary advisor. We are all happy to have her aboard. Please help us in welcoming our new advisor!

Tracy discussed the new requirements that will be enforced next year to be an active general member and a board member. (The requirements will be posted on the Rotaract website.) We also discussed the descriptions of the board member positions. Voting is open to active members and will be conducted via the Rotaract email. The voting ballot will be emailed to everyone and the voting period will be from March 28 to April 1. The new board members will be announced at the next general meeting, April 4th.

The end of the year banquet will be held on May 2nd from 6-8 pm at the Agricultural Science building. Members that have paid their dues are free and guests are $5. All members are encouraged to donate at least one item for the silent auction.

***There is a possibility that another opportunity to volunteer at a homeless shelter will come up again.

Agenda for Today: March 28, 2011
Today we will be finishing up building the WAPI systems with Hal Darcey. We have already built about 350 systems so we have about 50 more to go! Good job Rotaracters! Tracy will be delivering the WAPIs to her home country, Cambodia, towards the end of the year.
