The Board of Directors of the Kamehameha Schools Association of Teachers and Parents*, by a majority vote, have adopted the following statement:

"We believe that the interest of our children, the students of The Kamehameha Schools Kapālama Campus, would be best served by the interim removal of all five Trustees and the appointment of a receiver on October 2, 1998. This action provides the Trustees with an opportunity to fully respond and the Court with the time it needs to determine the merit of the parties' respective positions. Most importantly, this action is the best way to quickly return an atmosphere of calm and stability to the Kamehameha Schools Kapālama Campus and to enable our children to get on with the business of learning, whole-heartedly and without reservation. We renew our complete commitment and devotion to Ke Ali'i Pauahi and her gift to our children, her beneficiaries. The protection of her legacy and will and its beneficiaries is our responsibility and our first and foremost concern."
