You and your friends are planning to take a vacation after graduation. You and your friends cannot agree on a place destination for your vacation. Your job is to create a PowerPoint presentation that convinces your friends to visit the vacation destination of your choice. When planning a trip there are many factors and conditions to consider. Your assignment is to create a PowerPoint presentation that will cover all details of planning a trip. The Internet can be used to find information relevant for this project. You must have all of the following content included in your PowerPoint presentation.

Introduction slide (Title) (slide 1) - 1 point

Location (slide 2) – 3 points
- Where
- Surrounding area
- Why is it a good vacation place?

Attractions (slide 3) – 3 points
- Places to visit (3 places)
- Activities to do
- Cost

Climate (Weather) (slide 4) – 2 points
- Summer
- Winter
- Spring
- Fall
- When would you suggest going and why?
- Do you need special clothes?

Airfare (slide 5)
- Quotes from 3 airlines (Cost per person) 3 points

Hotels (slide 6)
- Quotes from 2 hotels (Cost per room) 2 points

Budget (Slide 7) – 4 points
- Cost of Airfare (per person)
- Cost of Hotels (per person)
- Estimated cost of attractions (per person)
- Total cost of food (Based on a typical daily allowance per person)
- Petty Cash (Spending money per person)
- Total Cost of Entire trip (Sum of the above expenses per person)

Reason why we should visit______? (Slide 8) – 2 points
- Reason #1
- Reason #2
- Reason #3
- Reason #4
PowerPoint features that must be included:

- Slide transitions between all slides – ½ point
- Custom animation on at least 3 slides – ½ point
- 3 clip art or pictures – 1 point
- 1 object that consists of 2 or more “Auto shapes” that are grouped together – 3 points
- 1 “Call out” insert with text – 1 point
- 1 “Auto shape that is filled with color – 1 point
- Adequate use of white space (not cluttered) – 2 points
- Animation does not take away from the presentation – 2 points
- Easily Readable – 2 points
- Organization - 2 points

Type a minimum ½ page summarizing the major selling points of your presentation. The write up must include information from each of the outlined criteria. At the end of your write up you must list all websites, which you used for your research, in the form of a Hyperlink (http://www.domain_name.com). – 10 points

- Failure to properly list all websites visited will result in a 3-point deduction.
- You will be deducted 1 point for each spelling error.
- You will also be deducted 1 point for each criteria not addressed in your write up. (12-point “Times New Roman” with default margins)

The write up and a print out of your slides are due on the date specified. You must also submit your PowerPoint presentation on the server in the folder specified by the due date. Failure to submit your presentation file by the due date will result in a 2-point deduction.
