College of Tropical Agriculture and Human Resources
Department of Human Nutrition, Food and Animal Sciences

Dear

Thank you for agreeing to provide an on-the-job experience for our students through this internship program. We appreciate your willingness to work along with the College of Tropical Agriculture and Human Resource's Animal Science Internship program to prepare our students in their areas of professional expertise.

By means of this letter we would like to ask you to agree to be responsible for any actions or omissions that arise out of your own employees/agents actions or negligence. The University of Hawaii will be responsible for any actions or omissions that arise out of our employees/agents actions or negligence. The students are not employees or agents of the University of Hawaii.

We do not anticipate any problems to occur, but want to make sure that while our students are under your supervision, you understand that they are considered your agents and you are responsible for their safety. The student covered by this agreement is also aware they are responsible for their own actions and negligence.

We look forward to a fruitful experience for all and thank you for your participation in our internship program. To show agreement with these terms, all direct participants are asked to sign below.

Yours truly
Halina M. Zaleski, PhD
